Pushed Around

33 3 2

Chapter 1 by danisonphil

I fall to the ground once again. Slumped against the wall. Blood dripping from my nose. Waiting for the next hit. I know its comming, they never let me off this easily. This has been happening to me ever since 8th grade, im a year 10 now. Everyday of the week. At first it was okay it started out as a nudge in the corriders, but now its this. I feel weak. Powerless. No one ever comes to save me and I can't save myself. They kick me again but I don't feel it, I feel numb.

Chapter 2 by Benjamin Waddington

I knew this was gonna end up happening. I should've done something about it sooner. I just couldn't stop my self. I've completely lost self-control. This needs to stop.

I get punched in the gut. It hurts. I vomit everywhere and pass out. Hitting my head hard on the floor.
